I wanna wish you a merry Christmas  
I wanna wish you a merry Christmas

## **Santa Claus is Coming To Town**

You better watch out, you better not cry  
You better not pout, I'm telling you why  
Santa Claus is coming to town

He's making a list and checking it twice  
He's Gonna find out who's naughty and nice  
Santa Claus is coming to town

He sees you when you're sleeping  
He knows when you're awake  
He knows if you've been bad or good  
So be good for goodness sake

Oh, you better watch out, you better not cry  
You better not pout, I'm telling you why  
Santa Claus is coming to town

## **Have yourself a merry little Christmas**

Have yourself a merry little Christmas  
Let your heart be light  
From now on our troubles will be out of sight.  
Have yourself a Merry little Christmas  
Make the yuletide gay.  
From now on, our troubles will be miles away  
Here we are as in olden days  
Happy golden days of yore  
Faithful friends who are dear to us  
Gather near to us once more  
Through the years we all will be together  
If the fates allow  
So hang a shining star upon the highest bough  
And have yourself a merry little Christmas now.

## **We Need A Little Christmas**

Haul out the holly;  
Put up the tree before my spirit falls again.  
Fill up the stocking,  
I may be rushing things, but deck the halls again now.  
For we need a little Christmas  
Right this very minute,  
Candles in the window,  
Carols at the spinet.  
Yes, we need a little Christmas  
Right this very minute.  
It hasn't snowed a single flurry,  
But Santa, dear, we're in a hurry;  
So climb down the chimney;

Turn on the brightest string of lights  
I've ever seen.  
Slice up the fruitcake,  
It's time we hung some tinsel  
on that evergreen bough.  
For we need a little music,  
Need a little laughter,  
Need a little singing  
Ringing through the rafter,  
And we need a little snappy  
"Hap-py ev-er aft-er,"  
Need a lit-tle Christ-mas now!

## **Jingle Bell Rock**

Jingle bell, jingle bell, jingle bell rock  
Jingle bells swing and jingle bells ring  
Snowin' and blowin' up bushels of fun  
Now the jingle hop has begun

Jingle bell, jingle bell, jingle bell rock  
Jingle bells chime in jingle bell time  
Dancin' and prancin' in Jingle Bell Square In the frosty air

What a bright time, it's the right time To rock the night away  
Jingle bell time is a swell time  
To go glidin' in a one-horse sleigh

Giddy-up jingle horse, pick up your feet  
Jingle around the clock  
Mix and a-mingle in the jinglin' feet  
That's the jingle bell rock,  
That's the jingle bell rock That's the jingle bell rock

## "Auld Lang Syne"

Should auld acquaintance be forgot And never brought to mind  
Should auld acquaintance be forgot And days of auld lang syne  
And there's a hand, my trusty friend And gie's a hand to thine  
We'll take a cup of kindness yet  
For auld lang syne  
For auld lang syne, my dear For auld lang syne  
We'll take a cup of kindness yet For auld lang syne  
Should auld acquaintance be forgot And never brought to mind  
Should auld acquaintance be forgot And days of auld lang syne  
For auld lang syne, my dear  
For auld lang syne  
Should auld acquaintance be forgot And days of auld lang syne  
For auld lang syne

## **"Winter Wonderland / Here Comes Santa Claus"**

We Go Walking in a Winter Wonderland....

Sleigh bells ring, are you listening?  
In the lane, snow is glistening  
A beautiful sight, we're happy tonight  
Walking in a winter wonderland

Here comes Santa Claus,  
Here comes Santa Claus  
Right down Santa Claus Lane  
Vixen, Blitzen, all his reindeer  
Pulling on the reins

Bells are ringing,  
Children singing,  
All is merry and bright  
Hang your stockings  
and say your prayers  
Santa Claus comes tonight

Gone away is the bluebird  
Here to stay is a new bird  
He sings a love song  
While we stroll along  
Walking in a winter wonderland

In the meadow we can build a snowman  
Will pretend that he is Parson Brown  
He'll say: Are you married?  
We'll say: No man  
But you can do the job  
When you're in town

## "Waving Through A Window"

I've learned to slam on the brake  
Before I even turn the key  
Before I make the mistake  
Before I lead with the worst of me

Give them no reason to stare  
No slipping up if you slip away  
So I got nothing to share  
No, I got nothing to say

Step out, step out of the sun  
If you keep getting burned  
Step out, step out of the sun  
Because you've learned, because you've learned

On the outside, always looking in  
Will I ever be more than I've always been?  
'Cause I'm tap, tap, tapping on the glass  
I'm waving through a window  
I try to speak, but nobody can hear  
So I wait around for an answer to appear  
While I'm watch, watch, watching people pass  
I'm waving through a window, oh----  
Can anybody see, is anybody waving back at me?

We start with stars in our eyes  
We start believing that we belong  
But every sun doesn't rise  
And no one tells you where you went wrong

Step out, step out of the sun  
If you keep getting burned  
Step out, step out of the sun  
Because you've learned, because you've learned

On the outside, always looking in  
Will I ever be more than I've always been?  
'Cause I'm tap, tap, tapping on the glass  
Waving through a window  
I try to speak, but nobody can hear  
So I wait around for an answer to appear  
While I'm watch, watch, watching people pass  
Waving through a window, oh  
Can anybody see, is anybody waving?

When you're falling in a forest and there's nobody around  
Do you ever really crash, or even make a sound?  
When you're falling in a forest and there's nobody around  
Do you ever really crash, or even make a sound?  
When you're falling in a forest and there's nobody around  
Do you ever really crash, or even make a sound?

When you're falling in a forest and there's nobody around  
Do you ever really crash, or even make a sound?  
Did I even make a sound?  
Did I even make a sound?  
It's like I never made a sound  
Will I ever make a sound?

On the outside, always looking in  
Will I ever be more than I've always been?  
'Cause I'm tap, tap, tapping on the glass  
Waving through a window  
I try to speak, but nobody can hear  
So I wait around for an answer to appear  
While I'm watch, watch, watching people pass  
Waving through a window, oh  
Can anybody see, is anybody waving back at me? (Ooh)

Is anybody waving?  
Waving, waving, whoa-oh, whoa-oh-oh-oh

## **Whoville Medley**

Shoo-bie doo-wah bop bop she doo-wah

Shoo-bie doo-wah bop bop she doo-wah

Shoo-bie doo-wah bop bop she doo-wah

Shoo-bie doo-wah bop bop she doo-wah

I've got the Christmas tree

I've got the memories

I've got the box of decorations

I've got the tinsel strung

The mistletoes' been hung

I've got the means of celebration

I've got the lights down low

The skies are dreaming snow

I've got the Yule log burning bright

And by that Christmas tree

I've got you here with me

I've got the perfect Christmas Night

Shoo-bie doo-wah bop bop she doo-wah

Shoo-bie doo-wah bop bop she doo-wah

I've got a box of dreams

All with the Christmas Theme

But tonight I won't be sleeping

I've got Bing Crosby on

Have all my troubles gone

With the spirit I've been keeping

I've got the presents wrapped

I've got the boxes stacked

I put up those Christmas Lights

All around that tree

Like it all should be

I've got the perfect Christmas Night

Shoo-bie doo-wah bop bop she doo-wah

Shoo-bie doo-wah bop bop she doo-wah

Shoo-bie doo-wah bop bop she doo-wah

Shoo-bie doo-wah bop bop she doo-wah

Bring it up boys

Aaaah bop bop she doo wah

Aaaah bop bop she doo wah

I've got the Christmas tree

I've got the memories

I've got the box of decorations

I've got the tinsel strung

The mistletoes' been hung

I've got the means of celebration

I've got the lights down low

The skies are dreaming snow

I've got the Yule log burning bright

And by that Christmas tree

I've got you here with me

I've got the perfect Christmas Night

And by that Christmas tree

I've got you here with me

I've got the perfect Christmas Night

Shoo-bie doo-wah bop bop she doo-wah

Shoo-bie doo-wah bop bop she doo-wah

Shoo-bie doo-wah bop bop she doo-wah

Shoo-bie doo-wah bop bop she doo-wah

Wa-wa-waaaah
